

# EXHIBITION

## EXHIBITION MAP

There are 28 stands in the exhibition area. The A-stands are centrally located either at the entrances or close to the buffet area. The B-stands in the Exhibition Hall have shorter interface area to the public stream than the A-stands. Some of the big B-stands with good public interface are placed in the congress aula, This space is unlocked for hotel guests during evenings and nights. The C-stands are placed both in the Exhibition Hall and in the Aula. The D-stands are unmanned places for a roll-up and a rack for flyers (the rack is not included in the stand fee). On the homepage there is a brochure with exact dimensions of the stands. Please, consult that brochure for exact dimensions of the stands.

## RESERVATION OF STANDS

The first to contact us will be the first served. Reservations made by end of 2019 will be invoiced in early-January 2020 with a due time of 28 days i.e. first deadlines for payments are thus in late-January 2020. Unpaid reservations may be sold further based on requests. Prices are available on the homepage. An updated list of exhibitors will be available on [www.r3nordic.org/symposium-2020](http://www.r3nordic.org/symposium-2020) from January 2020 onwards. The following companies have already reserved stands: Camfil Oy, Dinair Clean Air Oy, FläktGroup Finland Oy, Freudenberg Home and Cleaning Solutions Oy / Vileda Professional, Granlund Oy, Labema Oy, Miclev AB, Particle Measuring Systems and Stennova Oy.
