

WELCOME TO THE
51ST R³NORDIC SYMPOSIUM & EXHIBITION
AT NAANTALI SPA (NAANTALI, FINLAND)
ON 25TH – 27TH OF MAY 2020

NAANTALI

INVITATION

ABOUT THE VENUE

The venue of the 51st R³Nordic Symposium in Cleanroom Technology & Contamination Control is Naantali Spa (www.naantalispa.fi). Naantali is on the southwest coast 15 km north of Turku with approximate distances of 180 km to Helsinki, 160 km to Tampere and 460 km of Kuopio. International guests can e.g. take a ferry (Viking Line or Tallink Silja) from Stockholm or fly through e.g. Helsinki or Stockholm to Turku. Note that the Old Town with its wooden houses and the presidential summer residence Kultaranta are attractive local sights.

SCIENTIFIC & EXHIBITION PROGRAM

In the scientific programme, there will be 3 sessions on both Tuesday and Wednesday. The programme covers general aspects of cleanroom technology (R³), R³ news, R³ applications and contamination control within the pharmaceutical, biotech and food industries as well as in hospitals. These sessions are 1) Pharma & 2) Hospital & 3) R³ News & General / Food & Biotech. All presentations are in English. We have both invited lecturers and lecturers, who have submitted short abstracts. You can already now find some of the short abstracts on R³Nordic's website: www.r3nordic.org/symposium-2020. The **exhibition** is running both days. In the breaks, the participants can thus learn about the exhibitors' products / services or just meet with colleagues.

SOCIAL PROGRAM ACTIVITIES

The social programme will start on Monday evening with a Get-together event (after the Annual Meeting and the R³Olympics). The Symposium banquet is on Tuesday evening. The lunches and coffee/tea breaks take place in the exhibition area.

CURRENT* FEES INCL. OFFERS

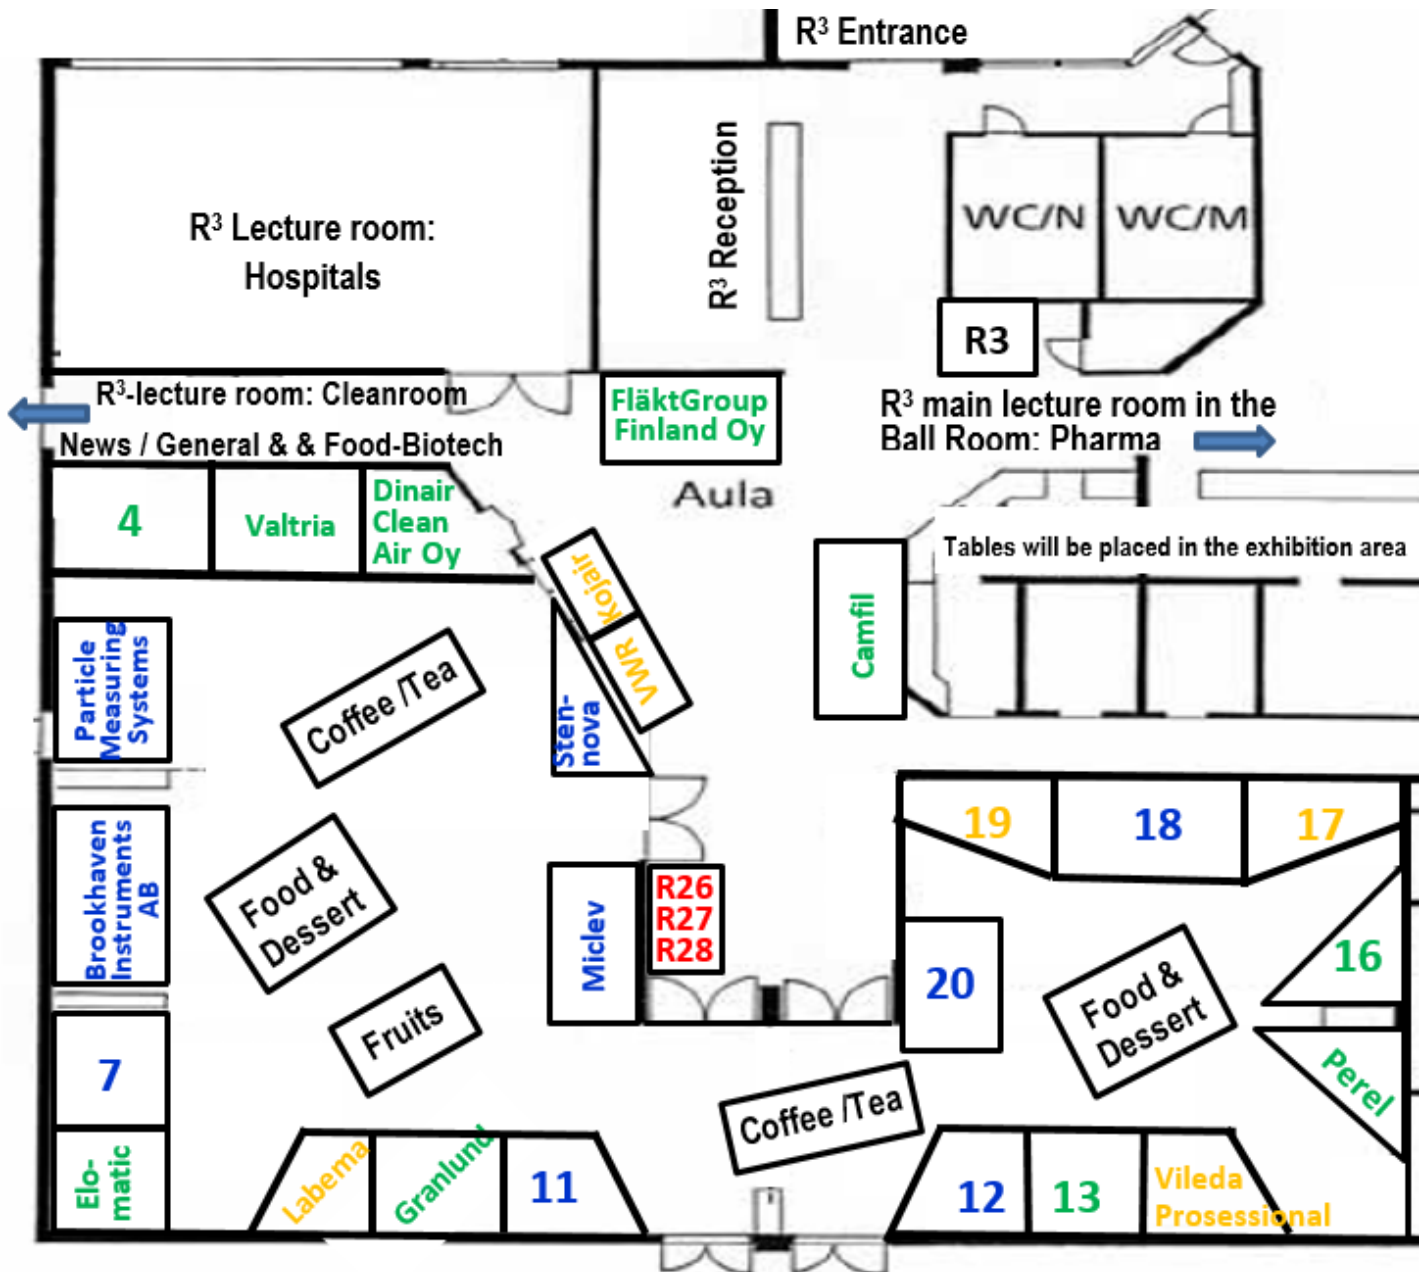

There will be "**EARLY BIRD**" prices and **GO3PAY2 offer** available until Wednesday 15th of April 2020. The companies can pay the participant fee either online or using one invoice. **At registration, they must give the names of participants in multiple of three** (online in the field for comments). In case you register by e-mail, we need all names at registration before we can register you and send out the invoice. The GO3PAY2 is only available for 2 days participation for max. 3 industrial representatives. Participants from public institutes and hospitals will be entitled a **public fee** (Early Bird / Normal), which cannot be combined with the Go3Pay2-offer (last page).

** Payments at latest on 15th of April 2020*

EXHIBITION MAP 2020

There are in total 28 stands. The **A-stands** (9) are centrally located either at the entrances or close to the buffet area. The **B-stands** (10) have shorter interface area to the public stream than the A-stands. Bigger stands in the aula (unlocked area for hotel guests) belongs to the price class B. Furthermore, the **C-stands** (6) are placed in the exhibition area and the aula. In the A-C stands one table, one-two chair(s) and one electricity outlet for one laptop are included; the back wall element (white) for those placed in the main exhibition area are also included. Note, R3 will not provide wall elements between the stands. In case you are planning to use own walls between the stands you should inform Exopset, who can then inform your neighbour. The **D-stands** (3) are places for a roll-up and a rack for flyers (the rack is not included in the fee). You find the exact dimensions of the stands on www.r3nordic.org/symposium-2020 under exhibition. Exopset builds the exhibition area and provides extra services requested by the exhibitors. Please, contact [essi\(at\)exopset.fi](mailto:essi(at)exopset.fi). Orders must be made by 24th of April 2020.

Please, contact Gun Wirtanen at [guliwi\(at\)luukku.com](mailto:guliwi(at)luukku.com) for reservation of stands. Reservations made by end of 2019 will be invoiced by 10th of January 2020 with a due time of 28 days i.e. first deadline for payments is thus in early February 2020. Unpaid reservations of stands are sold further if others are requesting them. Updates of exhibitors are available at www.r3nordic.org/symposium-2020.
