In addition to the annual meeting, the Board has held nine board meetings in 2021. They are all done on Teams. There have been no physical encounters due to the ongoing covid-19 pandemic. During 2021, we have received some changes to the board. Geir Valen Pettersen has taken over the job as secretary after Gun Wirtanen. Barbro Reiersøl has become a supplementary participant in board meetings. Jukka Vasara has taken over the role of vice-chairman after Alan Friis and Gun Wirtanen did not accept re-election. The board thanks Gun Wirtanen for her long and faithful service on the board where she had the task of secretary.

Since Jukka Vasara became a board member, the board has decided to move to English as a common language at board meetings and the minutes are also written in

this language. The website has been continuously updated in cooperation with the board. Here, Alan Friis has been directly involved.

The annual meeting was held on May 26 as a Teams meeting. All relevant documents can be found on the website.
